★★★★★ Number one for achievement ★★★★★

We are the number 1 college in Greater Manchester*

TOP 3 in the country

for overall achievement for the 8th year running!

** As per the latest National Achievement Rates Tables.*

Welcome

I’m delighted you’re considering The Manchester College for your next steps.

We set high standards for ourselves and our students and encourage you to set aspirational goals, but we will give you all the support you need to achieve them.

We have a wide range of high quality technical, career focussed courses (all of which are rated ‘Good’ by Ofsted) that will help make sure that you are ready for progressing to higher level study, a career or higher education after you have completed your studies with us.

We are incredibly proud of our partnerships with local, regional and national employers who help create our programmes of study and give our students first-hand experience by offering work placements and internships.

By working closely with employers, we can make sure that you develop the skills that employers want and need from you.

It also really matters to us that you enjoy your time at College, that you get to have new experiences, make new friends and create happy memories that will last a lifetime.

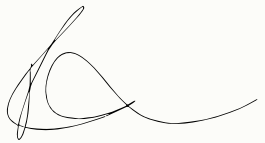

That’s why we have a varied and exciting enrichment programme that will ensure you have an amazing student experience.

We would love for you to come and join us as, ultimately, we believe that if you work hard, we can help you to achieve anything in your studies.

We can’t wait to meet you.

Rachel Curry

Why choose TMC?

Rated one of the top 3 colleges in the country*

Over 94% of our students progress to degree-level study, an apprenticeship or employment**

Rated **'Good' by Ofsted**

97% of our students complete a meaningful work placement

More than 1 in 10 students progress to Russell Group universities**

Many of our Level 3 courses see **100% progression to university**

Rated 'Strong' for our contribution to meeting skills needs

Employers say our **students are "workplace ready"**

Award-winning student support to help every student succeed

State-of-the-art facilities across all our subject areas

Trips across the UK and around the world

Clubs and societies to make friends, build confidence and skills

Strong track record of winning local and national competitions

Annual student awards to celebrate student success

*** Level 3 students aged 16-19, 2024-25*

We are industry connected

We don't just teach industry skills.

We make ourselves part of industry by working with over 1,000 employers who help shape what you learn and support you along the way to gain the skills you'll need.

Learning that reflects the real world

Through our employer links, you'll get the chance to:

- Work on live briefs and real projects
- Take part in mock interviews and assessments
- Hear from guest speakers and industry experts
- Enter competitions and get your work seen
- Go on workplace visits or site tours.

Experience matters - that's why almost every student completes a work placement.

You'll get hands-on insight into what it's really like to work in your chosen career, plus support from our Employability and Careers teams to help you get the most from it.

You'll also benefit from:

- A dedicated Employability Co-ordinator to help find and support your placement
- CV and interview prep
- Career advice tailored to your goals.

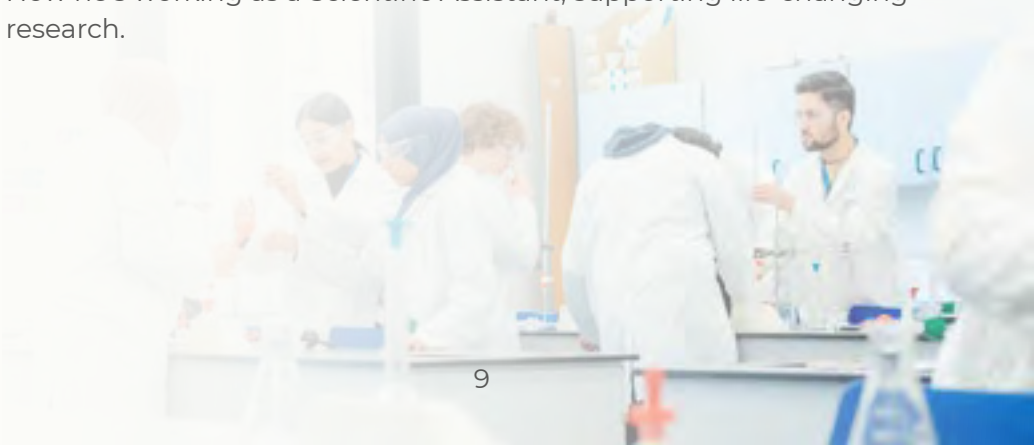

Real stories, real impact

My course has given me a great insight into the world of science and the different careers within it. This knowledge allowed me to feel confident when applying for jobs such as this one.

As part of his T Level in Science, Henry completed a 45-day placement at Cancer Research UK's Manchester Institute. He impressed the team so much, they offered him a job.

Now he's working as a Scientific Assistant, supporting life-changing research.

Our campuses

City Campus Manchester

Right next to the AO Arena, our flagship campus puts you in the heart of the city.

- Professional kitchens, theatres and rehearsal spaces
- State-of-the-art science labs, computing and business suites
- Vast creative studio spaces across both art and media
- Modern study zones, quiet pods and roof terrace
- Easy access to trams, buses and trains.

Harpurhey

Study up to Level 3/ T Levels amongst a vibrant mix of traditional and new spaces, with purpose-built facilities and a Grade II listed building.

- Brand-new science labs and Building Information Modelling (BIM) suite
- Hair and beauty salons and two pro-standard kitchens
- A realistic mock aircraft cabin for travel and tourism
- Mock hospital suite and early years settings
- Light-filled library, large outdoor garden and chill-out space
- Served by multiple bus routes and near to the Queens Road Metrolink.

Did you know?

- You qualify for free bus travel and discounted tram fare with Our Pass*
- Bursary support for tram/train travel is available if needed*
- We offer secure bike storage at most campuses.

** Subject to eligibility. Terms and conditions apply.*

Openshaw Campus

A hub for hands-on training in the east of the city.

- **Brand-new** 630m² engineering building with welding facilities, milling equipment and BIM suites
- Specialist construction and automotive workshops
- Mock hospital ward and nursery settings with industry equipment
- Huge 3G sports pitch, 6-court sports hall and modern gym
- Fully equipped classrooms and group study spaces
- Close to the Etihad Stadium and great transport links.

Wythenshawe Campus

Green, modern and welcoming with innovative features and specialist facilities.

- Bespoke animal care rooms and eco-friendly design
- Public hair and beauty salons and student-run restaurant
- Brand-new realistic mock aircraft cabin for travel and tourism
- Purpose built practical areas for automotive, construction and engineering with brand-new brick and electrical workshops
- Technical and trade apprenticeships delivered by Total People (part of the LTE Group)
- Light, open study areas and easy access via tram or bus.

Types of qualifications

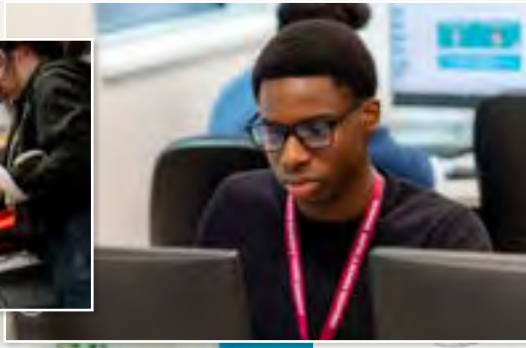

Technical and Creative Qualifications

Our wide range of technical and creative qualifications equip you with the skills you'll need to progress. This includes BTECs and UALs.

- 1 or 2-year programmes
- Work placement
- Levels 1-3
- 20 subject areas.

Did you know

94%

of our T Level students progress to university, employment or an apprenticeship?

T Levels

Developed in collaboration with employers, T Levels (Technical Levels) are career-focused programmes that provide young people with the skills needed to get straight into industry.

- 2-year programme
- Equivalent to three A Levels
- 45-day industry placement
- 11 subject areas.

For more information visit **tmc.ac.uk/tlevels**

Entry requirements

Level	Qualification	Entry requirements
Level 3	Vocationally Recognised Qualifications and Technical Qualifications.	A minimum of 4 GCSE subjects at grade 9-4 or merit/ distinction on equivalent qualifications such as Level 2 BTEC. Of the 4 GCSEs one of these should be English and/ or maths, or an equivalent Level 2 functional skills qualification. Or subjects that serve as proof of equivalence of your qualifications in the UK (such as NARIC) Certificate. Some courses, including T Levels, may also require science, English and maths at GCSE grade 5 or above. Please refer to individual course details on our website.
Level 2	Vocationally Recognised Qualifications and Technical Qualifications.	A minimum of 4 GCSE subjects at grade 9-3 or a pass or above on equivalent qualifications such as Level 1 BTEC. Of the 4 GCSEs, ideally one of these should be in English and/ or maths, or an equivalent qualification. Or subjects that serve as proof of equivalence of your qualifications in the UK (such as NARIC Certificate). Some courses may have specific entry requirements. Please refer to individual course details on our website.
Level 1	BTEC Diploma NVQ/Vocationally Recognised Qualifications.	No formal entry requirements. Some courses may have specific entry requirements. Please refer to individual course details on our website.

Some courses ask for extra things like a portfolio, audition or DBS check. If you're unsure what level is right for you, we're here to help.

What you can study

Animal Management

Wythenshawe Campus

Whether you're interested in working in zoos, conservation, animal rescue or veterinary care, our Animal Management courses give you the hands-on experience and knowledge to get started.

Explore courses

Scan the QR code or visit **tmc.ac.uk/animal-management**

Career opportunities

- Veterinary Nurse
- Zookeeper
- RSPCA Inspector
- Dog Groomer.

Beyond the classroom

Visits to zoos, wildlife parks and kennels in the UK and abroad.

With a career in animal management, you could earn an average salary of **£26,648** per annum working in Greater Manchester (2025).

I've learned how to handle different species and manage enclosures. My work placement at Wythenshawe Park Stables has helped me learn how to manage larger animals and their needs.

Leighton, Level 3 Animal Management

Automotive

Openshaw Campus / Wythenshawe Campus

If you're passionate about vehicles and how they work, our Automotive courses will give you the skills and experience to build a successful future in a fast-moving industry.

Explore courses

Scan the QR code or visit **tmc.ac.uk/automotive**

Career opportunities

- Garage Manager
- Motor Mechanic
- MOT Tester
- Body Repair Specialist.

Beyond the classroom

Visit employers, attend industry fairs and learn from leading automotive professionals.

With a career in automotive, you could earn an average salary of **£40,746** per annum working in Greater Manchester (2025).

I've learned a lot, I've taken apart an engine, changed oil, replaced brake pads, taken out suspensions and I'm able to check steering and do some body work as well.

Timi, Level 1 Motor Vehicle Maintenance and Repair

Progress to engineering degrees, higher apprenticeships and higher-level courses with UCEN Manchester.

Business

City Campus / Harpurhey Campus / Openshaw Campus

From finance and marketing to entrepreneurship and admin, our Business courses prepare you for a fast-paced and varied career.

Explore courses

Scan the QR code or visit **tmc.ac.uk/business**

Career opportunities

- Business Analyst
- Marketing Manager
- Finance Officer
- Entrepreneur.

Beyond the classroom

Learn from industry experts, attend employer masterclasses and visit leading businesses.

With a career in business, you could earn an average salary of **£36,558** per annum working in Greater Manchester (2025).

In my 8-week placement I gained practical skills, confidence, and industry experience in the finance world.

Aris, Level 3 T Level in Finance

Progress to business degrees and higher-level courses with UCEN Manchester.

Computing and Digital

City Campus Manchester / Harpurhey Campus

The digital sector is growing fast and so is the demand for professionals. Whether you're into cybersecurity, software development, networking or data, our Computing and Digital courses will prepare you for industry.

Explore courses

Scan the QR code or visit **tmc.ac.uk/computing**

Career opportunities

- Cybersecurity Technician
- Software Developer
- IT Support Analyst
- Systems Engineer.

Beyond the classroom

Industry visits, employer talks and masterclasses.

With a career in computing and digital, you could earn an average salary of **£47,406** per annum working in Greater Manchester (2025).

I've developed more than just my technical skills. I've gained confidence, learned to present my work and understand what's expected in a professional setting.

Roddick, Level 3 T Level in Digital Production

Progress to computing degrees and higher-level courses with UCEN Manchester.

Construction and Engineering

Harpurhey Campus / Openshaw Campus / Wythenshawe Campus

From civil engineering and electrical installation to design and site carpentry, our Construction and Engineering courses are designed around the skills employers need right now.

Explore courses

Scan the QR code or visit **tmc.ac.uk/construction**

Career opportunities

- Carpenter
- Civil Engineering Technician
- Bricklayer
- Engineering Technician.

Beyond the classroom

Live site visits and industry demonstrations.

With a career in construction and engineering, you could earn an average salary of **£39,889** per annum working in Greater Manchester (2025).

The resources are brilliant - using industry-standard equipment and software makes the course really hands-on and prepares you for real industry roles.

Molly, Level 3 T Level in Design, Surveying and Planning

Progress to engineering degrees, higher apprenticeships and higher-level courses with UCEN Manchester.

Creative and Digital Media

City Campus Manchester

Whether you dream of designing games, producing content, or creating motion graphics, our courses give you hands-on experience in the creative industries.

Explore courses

Scan the QR code or visit **tmc.ac.uk/creative-digital-media**

Career opportunities

- Graphic Designer
- Animator
- Broadcast Engineer
- Video Editor.

Beyond the classroom

Behind-the-scenes visits and employer masterclasses.

IF IDEAS FOUNDATION · SharpFutures · the Whitworth

With a career in creative and digital media, you could earn an average salary of **£34,669** per annum working in Greater Manchester (2025).

This course has allowed me to get a lot more confidence in creating animation and creative media. I've learnt a lot of skills mostly from Adobe software, including things like Illustrator and After Effects.

Dawson, Level 3 Motion Design and Animation

Progress to media degrees and higher-level courses with UCEN Manchester.

UCEN MANCHESTER FIND YOUR FUTURE

Education and Early Years

Harpurhey Campus / Openshaw Campus

If you're passionate about helping young children grow and learn, our Education and Early Years courses will give you the skills you'll need to support their development.

Explore courses

Scan the QR code or visit **tmc.ac.uk/education**

Career opportunities

- Early Years Teacher
- Teaching Assistant
- Special Education Needs (SEN) Teacher
- Children's Support Worker.

Beyond the classroom

Visits to schools and early years settings.

Bright Horizons · Brighter Beginnings

With a career in education and early years, you could earn an average salary of **£39,889** per annum working in Greater Manchester (2025).

I do my placement at a local primary school and it's really helped me develop my planning skills and confidence.

Lucy, Level 2 Early Years Practitioner

Progress to care degrees and higher-level courses with UCEN Manchester.

UCEN MANCHESTER FIND YOUR FUTURE

ESOL

City Campus Manchester / Harpurhey Campus / Openshaw Campus / Wythenshawe Campus

If English isn't your first language, our ESOL (English for Speakers of Other Languages) courses will help you improve your reading, writing, speaking and listening skills.

You'll also build confidence in maths, ICT and communication to support your everyday life, future study or career.

Explore courses

Scan the QR code or visit **tmc.ac.uk/esol**

I returned to college to improve my English - my writing, speaking and to live better in the UK. I've now moved into studying a computing course at the college.

ESOL Entry 3 Learner

Foundation Learning

Whether you want to build confidence, develop skills, or figure out your next step, we'll support you every step of the way.

King's Trust Programme
A hands-on 12-week course for 16-25 year olds, building confidence, teamwork and leadership.

Routes to Learning, Skills and Industry
Designed for learners with an Education, Health and Care Plan (EHCP), building independence, skills and confidence to progress onto the next step. Different pathways available.

Pre-Internship
For learners with an EHCP who want to build confidence and get ready for work. Develop practical skills that prepare you for the next step.

Supported Internship
A nationally recognised programme with real placements for young people with an EHCP who are ready to move into paid employment.

Base 12
For learners with an EHCP who need additional support to build confidence, develop independence and prepare for their next step in education, training or employment.

Explore courses

Scan the QR code or visit **tmc.ac.uk/foundation-learning**

Supported Learning

We pride ourselves on our commitment to being a fully inclusive college and the fact that our programmes of study are accessible for all.

We provide support at every level whether you need a little extra help, specialist support, or simply someone to talk to.

How we support you

Universal support – for all students

Every student benefits from:

- Differentiated and inclusive teaching
- Support from teachers and achievement tutors
- Access to Study Hubs and pastoral support officers
- Safeguarding support and referrals for mental health.

Targeted support – for students with a declared SEND

You'll have access to our Neurodiversity team, who can support with:

- Study skills and drop-in Study Hubs
- Advice on assistive technology
- Exam access arrangements (like extra time or readers).

Specialist support – for students with an EHCP

If you need support beyond what's above, our Supported Learning department may provide:

- In-class or 1:1 help from a SEND Support Practitioner or Communication Support Worker
- Personalised support strategies tailored to your needs.

We work closely with schools, families and local authorities to make sure support is in place before your course starts so you can begin college with confidence.
