

Employer Partner Industry Insights

Our employer partners at Hartshead Productions have talked to us about working in the Video Production industry:

What would you say the top 3 skills are to succeed in your industry?

1. Ability to think on the spot
2. A Creative ability
3. Good communication Skills

What do you look like in a top candidate when you recruit?

Attitude - turns up early, looks smart, good responses to questions, has done research on company

Why do you think work experience is important for college students?

Students need to realise that college is very different to actually working in the industry as things happen all the time and it has much faster pace to what they will be used to.

What is the best thing about working in your industry?

Being able to create a person or businesses idea in real form and seeing their faces as you blow their expectations.
