

# EMPLOYER CASE STUDY

## NAME OF THE EMPLOYER:

Gorton Monastery

## T LEVEL ROUTE THIS EMPLOYER RELATES TO / SECTOR OF ACTIVITY:

In an industry that is worth £22 billion annually, there is high demand for highly skilled staff across the Hospitality and Catering sectors covering everything from chefs through to event managers. The sector in Manchester is also going from strength to strength, as the city continues to attract some of the nations best chefs and internationally renowned establishments to the region.

To support this growth and provide young people in the city with relevant training opportunities, The Manchester College is working in partnership with Gorton Monastery, one of the city's premier venues, to deliver the Catering T Level.

## WHY ARE YOU RECOMMENDING THIS PARTICULAR EMPLOYER?

Gorton Monastery have offered various opportunities to students at the College and are currently hosting a student on industry placement. This student has been fully supported through the placement and staff and management have been instrumental in greatly increasing his confidence. Furthermore, students have been able to support corporate events on general work placement, benefitting from hands on learning about hosting large events.

## TESTIMONIAL

*"My confidence has grown at placement, and I am really enjoying it, especially getting the tables ready for all the events. I feel part of the team."*

*Josh, Level 3 Hospitality & Catering student*
