WHAT ATTRACTED YOU TO THE MANCHESTER COLLEGE?

As someone who hadn't danced before, I was very attracted by the standard of the dance training. I felt welcomed on the open day. It also felt like the teachers wanted to work with me and encourage me through the two years.

WHAT ARE YOUR CAREER GOALS?

Playing lead roles in the West End and on Broadway. I am now progressing on to The Guildford School of Acting on their Foundation Musical Theatre course.

HOW HAVE YOUR TUTORS PREPARED YOU FOR YOUR CAREER?

They conduct themselves in a very professional manner and treat you like you are in the industry. I was always pushed to get the best results possible and given constant feedback to help me improve.

WOULD YOU RECOMMEND TMC?

Yes, I definitely would. TMC has helped shape my future and aspirations. I am very thankful for my time there, as well as all of the effort and support given by my tutors.
