

## Employer Partner Industry Insights

Our employer partners at Sytner Group have talked to us about what it takes to succeed in the Motor Retail industry:

### **What would you say the top 3 skills are to succeed in the Motor Retail industry?**

Passion, attention to detail and adaptability are crucial skills

### **What do you look for in a top candidate, when you recruit?**

Drive and ambition and a 'can do' attitude

### **Why do you think work experience is important for college students?**

It helps them to understand the day-to-day requirements of a busy workplace and constant changes in priorities. It also helps the student to understand their impact on health & safety of the team around them as well as themselves.

### **What is the best thing about working in the Motor Retail industry?**

It is constantly changing – no 2 days are the same and it is a fast moving industry with regards to technology and the future of new engines/electric vehicles
