

Employer Partner Industry Insights

Our employer partners at Bam Nuttall have talked to us about what it takes to succeed in the Civil Engineering industry:

What would you say the top 3 skills are to succeed in the Civil Engineering industry?

Flexibility

Team Player

Good communication skills & listening

What do you look for in a top candidate, when you recruit?

Someone who has made the effort to gain work experience

Why do you think work experience is important for college students?

Because it shows them what it is really like to work in the industry and some of the challenges the world of work brings. Especially the early mornings.

What is the best thing about working in the Civil Engineering industry?

Building or creating a lasting legacy that will be around for years to come

Bam Nuttall have supported students at The Manchester College for over 3 years now, giving students fantastic opportunities to gain first-hand experience on a range of civil engineering projects.
