

# RENEA GRAHAM

## NAME:

Renea Graham

## SCHOOL:

Altrincham College of Arts

## COURSE:

BTEC Level 3 Computing

## CAREER ASPIRATIONS:

I am really keen to progress onto Higher Education and eventually work in Website Development.

## FUN FACT:

I can plank for over two minutes!

## FAVOURITE THING ABOUT TMC:

I have made some really good friends at the College and enjoy the group activities we do as part of our learning and assessments. I am so proud of all the practical work I have created, and I'm in the process of putting together a portfolio to show to potential employers and Higher Education providers.

## WOULD YOU RECOMMEND TMC:

I would definitely recommend The Manchester College as they help you to aspire to who you want to be. My tutors give regular feedback, support and advice on all aspects of my course. They have even arranged for us to meet industry professionals, get valuable work experience, and have helped us to improve our employability skills.
