

The  
Manchester  
College®  
be amazing

# DEIMAS MASIOKAS

## **SCHOOL:**

Newall Green High School

## **COURSE:**

Level 3 Light Vehicle Maintenance

## **CAMPUS:**

Openshaw

## **WHAT ATTRACTED YOU TO THE MANCHESTER COLLEGE?**

I wanted to come to a college that provided such excellent work placements.

## **HOW HAS YOUR TIME AT TMC INFLUENCED YOUR AMBITIONS?**

Now that I am on my work placement with Sytner Group working on Bentleys & McLarens, I want to work on high performance & prestige cars like these in the future.

## **WHAT ARE YOUR CAREER GOALS?**

Hopefully working at Bentley as a Vehicle Technician & being trained to become a Master Technician. I am working hard for the opportunity of being offered employment at my work placement, who would then provide me with & fund any additional learning after I gain my level 3.

## **HOW HAVE YOUR TUTORS PREPARED YOU FOR YOUR CAREER?**

My Tutor & Employability Tutor put me forward for my Industry work placement which I now do every week for 2 days a week. They prepared me for the interview, I worked out a travel plan & then successfully passed my interview. I have also been advised by my tutors to apply for a one week internship with Bentley in the summer.

**WE ARE THE MANCHESTER COLLEGE**
