TMC GO

WHAT TRAVEL SUPPORT IS AVAILABLE?

Are you a school leaver heading to college this September?

Don't let travel be a barrier to your success.

We are here to help you get to any of our campuses using all public transport available, whether that's by bus if you're eligible for **Our Pass** or via our travel support package **TMC Go**. So, whether you're travelling to college or need to get to your work placement, **we will help to get you there for free**, anytime, seven days a week.*

Travel Support Checker

Answer a few questions using our travel support checker to see what support you may be eligible for before you apply.

**Terms, conditions and eligibility apply.*

OURPASS

If you're aged 16 or 17 on 31 August 2023 and live in Greater Manchester then you will be eligible for Our Pass.

Our Pass is a membership scheme for young people who live in Greater Manchester and helps school leavers get around the city. Those eligible have the chance to become a member – and potentially enjoy two things:

Free bus travel across Greater Manchester.

For a one-off £10 fee, members can travel on most local buses, any day of the week, for free. Members can also get half-price off-peak 1 day and weekend travelcards on Metrolink.

Membership unlocks exclusive offers and experiences.

These include discounts, special offers, free tickets, swimming and leisure passes, merchandise, taster sessions and much more.

Please note that Our Pass is not a College product but is available to students who enrol with us and are eligible.

Apply at ourpass.co.uk

TMC GO

For students aged 16-18 who are not eligible for Our Pass and/or who live outside the Greater Manchester travel area there is support available through TMC Go.

If you're not eligible for Our Pass, The Manchester College will give you the same opportunities with TMC Go. TMC Go will operate on your college ID badge as a travel pass on bus transport only. TMC Go is there to support students with a range of travel options, so if travel by bus isn't feasible you can appeal to have your support adjusted to Metrolink or train. This is assessed on an individual case by case basis.

Are you eligible for TMC Go?

If you're aged 16 or 17 and live outside of Greater Manchester or aged 18 prior to 31st August 2023 then you won't be eligible for Our Pass, however you can apply to get travel support through TMC Go if you meet our criteria*:

- Your household income is less than £35,000 per year
- You are enrolled at The Manchester College

* Our TMC Go offer applies to 2023/24 only and is subject to available funds, terms, conditions and eligibility.

** Eligibility criteria and terms and conditions apply.

All of the travel and parking schemes mentioned in this leaflet are subject to annual review in line with funding availability and each scheme will be reviewed and assessed before the start of each academic year. There is no guarantee that the benefits of any scheme will be continued from one academic year to the next.

Additionally, if you are eligible for Our Pass but are struggling to get to campus by bus or it takes too long we will look at alternative transport methods if you meet our criteria.

Struggling to travel by bus?

If you're aged 16-18 and your journey to college by bus just isn't feasible and/or you plan to travel by tram or train but are struggling to afford it, then we could help fund some or all of your travel to campus via train or tram with TMC Go.**

If eligible for enhanced support we will assess the best mode of transport for you. If this includes tram or train we may pay up to £60 into a UK bank account. You may be expected to provide proof that a ticket has been purchased.

How do I get travel support?

Accepted an offer with us?

If you are eligible and are aged 16 or 17 you can apply for Our Pass now so this will be ready when you enrol.

If you are aged 15 you cannot apply until the Our Pass system opens which is usually around June or July.

Apply for OurPass at ourpass.co.uk

If you have any challenges in accessing your studies via bus with your Our Pass, please let us know as we may be able to support alternative modes of transport.

If you aren't eligible for Our Pass and would like to apply for travel support via TMC Go then please visit our website for details on how to apply.

Alternatively you can contact our Student Careers team via email if you have any questions: careers&welfare@tmc.ac.uk

Not received an offer from us?

You can apply for TMC Go if and when you enrol, however this will take at least 24 hours to process and no travel will be paid for until the travel award has been awarded.

Terms and conditions apply.

Future developments

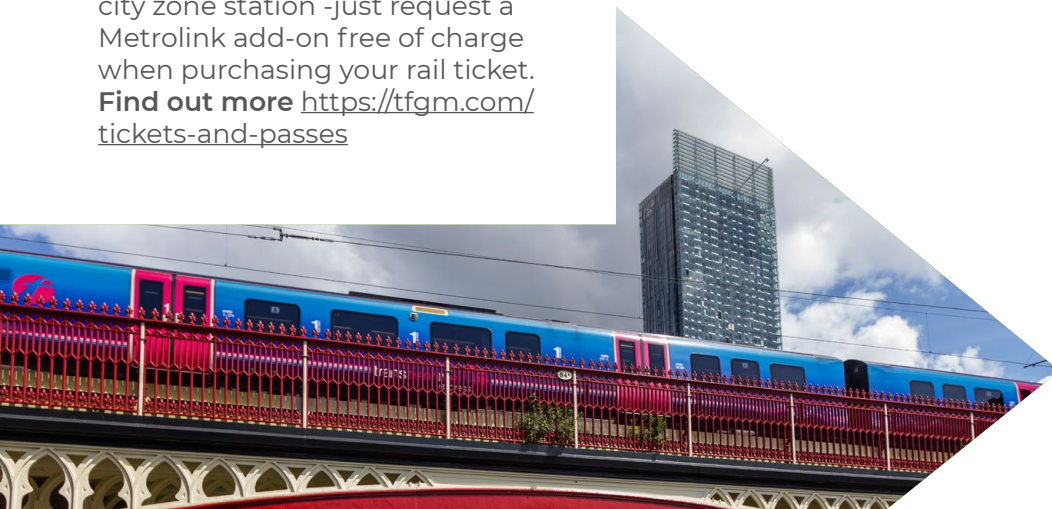

We are always looking at ways to improve our support and services to all our learners. As a result we are aiming to agree a new combined ticket for tram and bus, which would be loadable onto learners' college ID cards who require this.

We will hopefully have some more information for you as we get closer to your enrolment in September.
