

SEAN ANDERSON

SCHOOL:

Melland School

COURSE:

Supported Internship

LOCATION:

Salford Quays, Media City

WHAT ATTRACTED YOU TO THE MANCHESTER COLLEGE?

I was able to go on a work placement and gain lots of experience which is a better way of learning for me. I worked with the Transition Team before coming here and they gave me lots of helpful advice to prepare me.

WOULD YOU RECOMMEND TMC?

Yes, definitely. It's a great place to be.

WHAT ARE YOUR CAREER GOALS?

I really enjoy where I am working now and have managed to get a full paid job from my work placement. The team I work with are so friendly and supportive. I am hoping to increase my hours here and maybe get a promotion one day.

WHAT ARE YOUR HIGHLIGHTS?

I met David Platt from Coronation Street whilst working. I also get a discount everywhere at The Lowry Outlet.

HOW HAVE YOUR TUTORS PREPARED YOU FOR YOUR CAREER?

I feel that there is always someone there to support me. In lessons, or in my job. I have grown so much in independence this year and have achieved my targets. I can now get out and about and use transport independently.
