WHAT ATTRACTED YOU TO THE MANCHESTER COLLEGE?

My mum actually came here so recommended me coming down to the open day. When I did I really liked the facilities.

HOW HAS YOUR TIME AT TMC INFLUENCED YOUR AMBITIONS?

The tutors here help you to realise your ambition, and really challenge you to achieve.

WHAT ARE YOUR CAREER GOALS?

A lot of my family are in the industry, including my mum, my dad and my grandad who was a chef in the Navy. I would like to follow in their footsteps and own my own restaurant, becoming one of the best chefs in the world. I have recently done a work experience at Hotel Football, where I ran the kitchen by myself.

HOW HAVE YOUR TUTORS PREPARED YOU FOR YOUR CAREER?

We have the opportunity to cook different dishes every week, practicing and developing new skills. The other week I learned how to fillet a fish. My signature dish has to be a risotto.

WOULD YOU RECOMMEND TMC?

Yes . I am very proud of my achievements here.
