This policy builds upon the foundation of equality legislation and anti-discrimination guidance and strives, not only to comply with legal requirements, but to use these to ensure that The Manchester College and UCEN Manchester endeavours to exemplify best practice. The policy is governed by the Equality Act 2010, which make it unlawful to discriminate against someone because of one or more of the following protected characteristics.

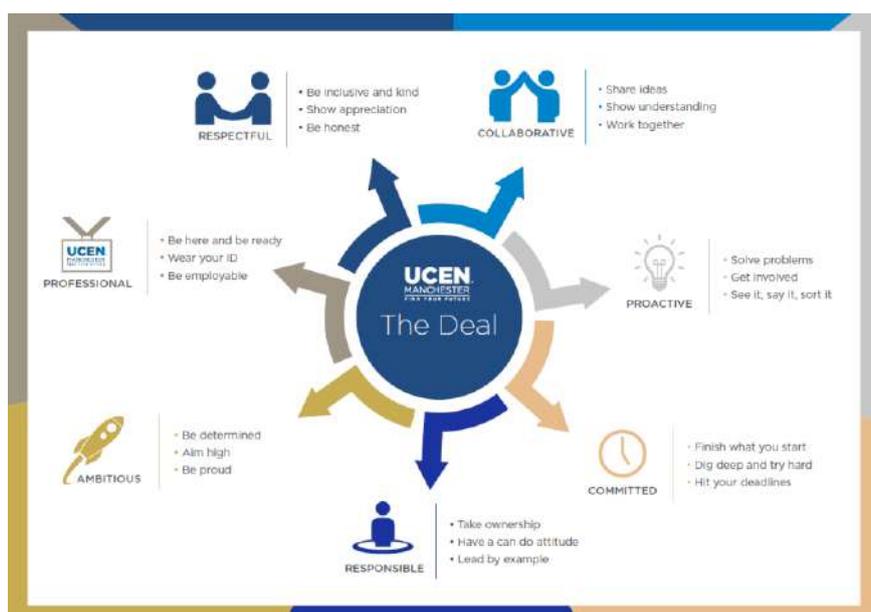

- Age

- Pregnancy and Maternity
- Race

In the implementation of this policy The Manchester College and UCEN Manchester will aim to:

- Expect all members of its communities to treat each other with dignity and respect. We support the right of individuals and groups to hold their own beliefs and values, but will not tolerate these being manifested in a way that intimidates, humiliates or creates a hostile or degrading learning or working environment.
- Create an inclusive learning and working environment that supports good relations between people and challenges prejudice, intolerance and discrimination in all its forms.
- Ensure that all of our learners, staff and visitors, are treated fairly and are not discriminated against on any grounds, including those protected by the Equality Act 2010.
- Support our commitment to inclusivity, and to meet our legal duties. We will publish an equality annual report each year and revisit our equality objectives every year. The equality objectives and equality and diversity actions will be monitored by the Equality and Diversity strategic group on a termly basis.
- Communicate its commitment to promoting equality and diversity in staff and learner recruitment material, handbooks, policies, social media and in other communications.
- Ensure that publicity material positively promotes the diversity of our communities.
- Develop a co-ordinated approach to raising awareness of diversity and citizenship through internal promotion in lessons and enrichment. We will produce a Citizenship Calendar each year that celebrates diversity and religious festivals, enhancing the student experience.
- Introduce positive action initiatives where patterns of under-representation and differences in outcomes for staff and learners are identified.
- Proactively encourage potential and current students and staff to confidentially disclose any disabilities or other needs relating to 'protected characteristics' that they may have. We will promote a culture of inclusivity, in which individuals feel confident and safe to make a disclosure. We will provide reasonable adjustments in response to individual need and will not disadvantage any student on the basis of such needs.
- Gather and store any data relevant to any of the protected characteristics appropriately and in line with GDPR guidelines.
