Fun, Weekly Online Activities for Staff and Students

Although we may be physically separated, we can still be socially and mentally connected. Join us online for engaging and interactive activities.

For the latest information please follow our social media pages  [Twitter](#)  [Instagram](#)  [Facebook](#) or contact your Head of Department for Student Support

All activities are based on campus and may not be offered across all campuses due to resourcing.

To book yourself and your class onto an event contact the team leader of student support for your campus. Choose your slot and send your students the time, date and the location of the activity.
